

Terms & Conditions

Effective date: 19 July 2026 · Applies to classpeiat.com, courses.classpeiat.com and all ClassPe IAT batches

1. Acceptance of terms

These Terms & Conditions govern your use of classpeiat.com, courses.classpeiat.com and all ClassPe IAT courses, batches, test series and related services (together, the “Services”), operated by ClassPe (“we”, “our”, “us”). By browsing the website, creating an account or purchasing a batch, you agree to these terms, our Privacy Policy and our Refund Policy. If you are under 18, a parent or guardian must review and accept these terms on your behalf.

2. Enrolment and account

- You must provide accurate, current information at registration and keep it updated.
- Your account and course access are personal and non-transferable. Keep your login credentials confidential — you are responsible for activity under your account.
- One account per student. Simultaneous logins and device usage may be limited by our platform's security systems.

3. Course access and validity

- Access to a purchased batch begins on the batch start date (or on purchase, whichever is later) and remains valid until the access expiry stated on the batch page (for IAT 2027 batches, 30 June 2027), unless terminated earlier under these terms.
- Live class schedules, faculty and session timings may be adjusted for operational reasons; recordings of live classes are provided within the course.
- Features listed on a batch page (classes, tests, mentorship, PTMs, workshops and similar) are delivered over the duration of the batch as scheduled by ClassPe.

4. Intellectual property and anti-piracy

All course content — live and recorded classes, notes, modules, DPPs, practice sheets, test papers, reports, branding and software — is the intellectual property of ClassPe or its licensors. You receive a limited, personal, non-exclusive, non-transferable licence to use it for your own preparation only. You must not:

- Record, download (outside app features we provide), copy, screenshot, share, resell or redistribute any content;
- Share your account or course access with any other person;
- Circumvent security, DRM or watermarking measures.
- Violation leads to immediate termination of access without refund, and may attract legal action. Content is watermarked and access is monitored for piracy.

5. Payments and pricing

- All prices are in Indian Rupees. Where stated, prices are exclusive of GST, which is added at checkout.
- Payments are processed by secure third-party payment gateways; ClassPe does not store your payment credentials.

- All purchases are final — see our Refund Policy (no refunds after purchase; failed/duplicate transactions are resolved separately).

6. Code of conduct

Our classes, Telegram groups and communities exist for serious preparation. Abusive language, harassment, spam, cheating in tests, or sharing pirated material will result in removal from the batch without refund.

7. No guarantee of results

ClassPe provides structured coaching, testing and mentorship. Selection, ranks and scores in the IISER Aptitude Test or any examination depend on many factors including the student's own effort, and are not guaranteed. Past results (including AIR and rank data we publish) describe previous students' outcomes, not a promise of yours.

8. Service availability and liability

We aim to keep the platform available at all times but do not warrant uninterrupted access; maintenance, technical faults or events beyond our control may cause downtime, and scheduled sessions affected by such events will be rescheduled or provided as recordings. To the maximum extent permitted by law, ClassPe's total liability for any claim relating to the Services is limited to the amount you paid for the batch concerned.

9. Termination

We may suspend or terminate access for breach of these terms (including piracy or misconduct) without refund. You may stop using the Services at any time; fees remain non-refundable.

10. Governing law and disputes

These terms are governed by the laws of India. Courts at Pune, Maharashtra shall have exclusive jurisdiction over any dispute relating to the Services.

11. Changes and contact

We may update these terms from time to time; continued use after an update constitutes acceptance. The current version, with its effective date, will always be available on classpeiat.com. Contact: support@classpe.com.
